Privacy Policy

CORe Creators will not disclose, sell, rent, or lease any personal information you submit to our website, except:

- in using your data for our global study or;
- to suppliers and/or providers of goods and services and other third parties who work on our behalf to service or maintain business contact databases and other IT systems, such as suppliers of the IT systems which we use to process personal information, or who provide other technical services;
- to inform you about new CORe Creators services that are available to you;
- to CORe CREATORS group companies in order to process the data for the above-mentioned purposes;
- to business associates and other professional advisers (e.g. auditors and lawyers)
- to competent authorities such as tax authorities, courts, regulators and security or police authorities where required or requested by law or where we consider it necessary; and

CORe CREATORS may offer solely or jointly with third parties webinars, white paper downloads, or other services related to CORe CREATORS offerings or services. We will share your contact information and product interest in these offering or services with third parties to communicate with you, subject to applicable law,

CORe CREATORS may also disclose information in special cases when we have a good faith belief that such action is necessary to: (a) protect and defend our rights or property; (b) enforce the Website Terms and Conditions; (c) act to protect the interests of our users or others;

CORe Creators will not distribute or make available your diagnostic results or other information to any third party.

As an exception to the above, if you are using CORe Creators Value Dynamics Diagnostic through an Entity Diagnostic arrangement, your designated Company Administrator(s) will also have access to the overall organisation results and demographic information.

We have put in place technical and organisational security measures to prevent the loss or unauthorised access of your personal information. We train our employees in the proper handling of personal information. However, whilst we have used our best efforts to ensure the security of your data, please be aware that we cannot guarantee the security of information transmitted over the Internet. If you have reasons to believe that your interaction with us is no longer secure, please immediately notify us at value@corecreators.com of the problem.

You hereby agree, that you have consented in participating in our global study if you complete either the Free Sample Diagnostic or Entity Value Dynamics Diagnostic on CORe CREATORS website.

CORe Creators reserves the right to use, without any personal identification, diagnostic results and demographic and other aggregate information for research purposes.

We reserve the right to change, modify, or amend this policy at any time and without advance notice. In addition, CORe Creators reserves the right to release your personal information to protect our systems or business, when we reasonably believe you to be in violation of our Terms of Use or if we reasonably believe you to have initiated or participated in any illegal activity. CORe Creators may be obligated to release your personal information pursuant to judicial or other government subpoenas, warrants, or other orders.

CORe Creators also reserves the right to assign its rights and obligations under this policy in connection with the sale or merger of its business.
